

VEGETABLE OILS, SHORTENINGS, DRESSINGS, AND SAUCES

About Columbus

Columbus Vegetable Oils has evolved from a small father and son packing company to a reputable force in the fats and oils industry. As a dependable collaborative partner we focus on helping business grow via quality, availability, service, and expertise.

Highlights:

This position is located in Des Plaines, Illinois. The Production Supervisor will be part of the dressings and sauces department and responsible for playing an important role in ensuring that this department stays on various production schedules so we can meet the growing demand for our products.

This position reports to our dressing's plant manager and works closely and collaboratively with our production teams.

The Responsibilities:

- Oversee the daily operations of dressing plant processing by supervising production personnel, organizing and monitoring work flow by monitoring steps of the process, setting processing variables, observing control points and equipment; monitoring personnel and resources; studying methods; implementing cost reductions; developing reporting procedures and systems; facilitating corrections to malfunctions within process control points; initiating and fostering a spirit of cooperation within and between departments
- Implements technically sound, safe, and sanitary work practices per standards
- Ensure that production meets health, sanitation, and quality standards set by the company, food industry, and government agencies
- Responsible for arranging schedules, and monitoring employee performance. Communicate job expectations, planning, monitoring and appraising job results; coaching; counselling and disciplining employees
- Train line workers in all aspects of production in order allow managerial flexibility in times of worker absences or vacations
- Work with maintenance to ensure proper operations of equipment and request repairs as necessary
- Provides manufacturing information by compiling, initiating, sorting, and analyzing production performance records and data; answering questions and responding to requests
- Maintains safe and clean work environment by educating and directing personnel on the use of all control points, equipment, and resources; maintaining compliance with established policies and procedures

30 East Oakton, Des Plaines IL 60018
